

*St Bartholomew Amley*

COVID STATEMENT

Public Worship will resume in church from this coming Sunday 14th March with Mass at 10am.

Just as before the lockdown, we will need to sign-in or scan the QR code as we enter church as part of the track and trace process. We will also need to sanitize our hands and to wear face coverings if we are able to. Social distancing must be observed. Sadly, just as before there can be no congregational singing. We are also asked not to stand and talk in church at the end of the service.

As things stand we will be able to keep our Easter services, though they will of course, like everything else, be slightly different this year. Please keep an eye on the parish website for any modifications.

The toilets will be available for anyone who may need to use them.

Fr Michael
